PROFILE

I am a dedicated nursing student with an Advanced Diploma in General Nursing, passionate about providing compassionate and patient-centered care. I have practical experience in clinical settings, and I am eager to apply my knowledge and skills to contribute to a healthcare team, while continuously learning and growing in the nursing profession.

WORK EXPERIENCE

Clinical Placements - Student Nurse

Hemas HOSPITALS (PRIVATE) LIMITED - Wattala - Sri Lanka

Completed comprehensive training across multiple medical wards and clinical units

Clinical Placements - Student Nurse

Kings Hospital Colombo - Sri Lanka

Provided patient-centered care in medical wards, including vitals monitoring, wound care, NG feeding, documentation, patient mobility support, and assisting with medications while working closely with healthcare teams.

Clinical Placements - Student Nurse

National Institute-Mental Health - Sri Lanka

Trained at the National Institute of Mental Health, assisting with patient observation, reporting behavioral changes, supporting therapeutic routines, ensuring patient safety, documenting progress, and helping the nursing team provide compassionate mental health care.
